The Employees Retraining Board

The Employees Retraining Board (ERB) is a statutory body established in 1992 under the Employees Retraining Ordinance. The main function of ERB is to co-ordinate, fund and monitor training courses and services. Its service targets are people aged 15 or above with educational attainment at sub-degree level or below.

ERB provides a diverse range of training courses and appoints about 80 Training Bodies operating around 400 training centres across the territory to offer market-oriented training courses to help trainees map out their progression ladder. ERB endeavours to provide a flexible, quality and resilient labour force for the knowledge-based economy of Hong Kong.

ERB is dedicated to assist eligible employees of non-Chinese origin in Hong Kong in gaining job opportunities through appropriate training and employment services, so that they can integrate into the society for the well-being of themselves and their families.

Training Courses

With a view to improving the employability of the ethnic minorities and facilitating their integration into the local community, ERB provides dedicated training courses delivered in English to suit the aspirations and training needs of the ethnic minorities. To facilitate the attendance of the ethnic minorities who can comprehend Cantonese, courses conducted in Cantonese and supplemented with English training materials are also offered and covered in this Prospectus. Major categories of courses include:

- **Placement-tied Courses:** Placement-tied Courses on vocational and professional education and training are generally offered in full-time mode. Courses straddling different industry categories and aiming at equipping eligible trainees with skills required by the market are dedicated for the unemployed. Trainees with an attendance rate of at least 80% in the placement-tied courses are provided with placement follow-up services at least 3 months by Training Bodies to help them re-enter the job market. The courses also include training on personal attributes and job search skills, which aim to enable trainees to strengthen their interpersonal skills and enhance their employment opportunities.
- **Skills Upgrading Courses:** Skills Upgrading Courses are part-time non-placement-tied courses provided to eligible clientele including the unemployed and in-service workers. Vocational and professional education and training straddling different industries are provided with the aim of enhancing the skills competency of practitioners and fostering their attainment of multi-dimensional skills. Non practitioners may also enroll in individual courses which provide basic knowledge of the industries. These courses aim to broaden their employment opportunities through training and facilitate their job mobility.
- **Generic Skills Courses:** Generic Skills Courses are part-time non-placement-tied courses on training of transferable skills applicable in different industries including foundation skills (Workplace Languages and IT Applications) and personal attributes are provided to eligible clientele including the unemployed and in-service workers.
- **Youth Training Courses:** Youth Training Courses concerned are operated in full-time placement-tied mode and offered under the banner of Youth Training Programme. The Youth Training Programme targets at non-engaged youth aged between 15 and 24. The courses, which are more suitable for applicants with educational attainment at secondary school level or below, aim to stimulate the youth's desire to learn and study, and motivate them to actively plan for their career. A wide variety of courses are offered to cater for their diverse interests. With enhanced self understanding, trainees will be able to unleash their potential for career development or further studies.

2 Preface

Public members may gauge a preliminary understanding of their career aspirations through the use of an ERB online tool named “Training and Career Needs Test” and select a suitable training course accordingly. “Training Consultancy Service” is also available in ERB Service Centre and ERB Service Spots for service targets that require personalised advice on enrolment. For details, please refer to page 3.

From 1 April 2023 onwards, ERB serves to provide vocational skills training for trainees of the “Youth Employment and Training Programme” (YETP) of the Labour Department. YETP trainees may enroll in a variety of ERB training courses* including the youth training courses through Case Managers of the YETP. The Labour Department will provide case management and relevant follow-up services to YETP trainees.

* Placement follow-up service and retraining allowance for regular ERB placement-tied courses are not applicable to YETP trainees. For details of training allowance provided by the YETP, please visit the YETP’s website (www.yes.labour.gov.hk).

Placement Services

All Training Bodies appointed by ERB provide all trainees who have attained an attendance rate of at least 80% in the placement-tied courses, with a placement follow-up period of at least 3 months (for placement-tied courses which are conducted in English and suitable for eligible employees in Hong Kong of non-Chinese origin, the placement follow-up period lasts for 6 months). For courses under the “Enhanced Placement Service Model”, the Training Bodies provide enhanced placement and retention services for the trainees who have attained an attendance rate of at least 80% in these courses. Please check with the Training Bodies concerned for follow-up period of each course. During the follow-up period, Training Bodies will regularly contact the trainees to update their employment status. Training Bodies should report the employment details of each trainee to ERB after completion of follow-up period. Trainees should provide such information to Training Bodies as far as possible.

Qualification and Certification – Qualifications Framework

The “Qualifications Framework” (QF) was established and officially launched by the Government on 5 May 2008. QF-related quality assurance is undertaken by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ). The QF is a cross-sectoral hierarchy designed to put in order qualifications in the academic, vocational and continuing education sectors with a view to facilitating life-long learning and assisting individuals to set personal goals and directions in continuous studies for obtaining recognised qualifications.

Recognised qualifications are uploaded onto the “Qualifications Register” (QR), which is a web-based database on learning programmes leading to such qualifications and the relevant operators, granting bodies, QF Levels, modes of delivery, etc.

To promote recognition of the qualifications of ERB graduates, ERB courses have been submitted to the HKCAAVQ for accreditation. There are now around 300 courses accredited by the HKCAAVQ, which are QF-recognised. Please refer to “ERB Courses on the Qualifications Register” in the last section of the Prospectus or visit the QR website at www.hkqr.gov.hk for more details. In addition, ERB has obtained the Programme Area Accreditation (PAA) status at QF Levels 1 to 3 in the “Catering, Food and Beverage Services” sub-area since 2018-19 and then obtained the second PAA status at QF Levels 1 to 3 in the “Computer Science and Information Technology” sub-area in 2022. The ERB also successfully gone through the Periodic Institutional Review in the “Catering, Food and Beverage Services” sub-area in 2022. It demonstrates that ERB has a track record of managing and assuring the quality of its learning programmes within the approved scope.

6. For non-placement-tied courses targeted at the unemployed and those intending to change jobs, interviews may be necessary.
7. To be eligible for class enrolment, applicants must meet the General Admission Criteria and pass the interviews and entry tests (if applicable).

Application Procedures and Supporting Documents Required

8. Applicants are required to complete the Course Application Form and provide original of the following supporting documents. Course applications may not be accepted should applicants fail to provide the information or documents required.

 - (ii) Proof of educational attainment
 - Applicants may declare their highest educational attainment in the duly signed “Course Application Form”, confirming that all information provided is correct and complete, except where proof of educational attainment are required by the entry requirements of individual courses.

6 Application Guidelines

- Highest educational attainment refers to the highest level of full curriculum study that applicants **are attending or have attended** at schools, and including cases where the applicants **have not completed the study, or are unable to provide proof of educational attainment** (Full curriculum study refers to a study which, upon completion, an applicant would obtain a specified educational qualification or award; curriculum of which may require a minimum number of subject enrolments).
- If an applicant has completed HKDSE (Form 6) level, “Secondary (Year 6)” would be considered as his/her highest educational attainment in course applications. If an applicant has enrolled in but failed to complete a Bachelor’s degree programme and above, “Diploma to sub-degree” may be considered as his/her highest educational attainment in course applications.
- Applicants with non-local educational qualification may determine their equivalent local educational attainment based on the number of years of school education received. For example, if an applicant has received formal school education for more than 9 years in the Mainland, his/her educational attainment may be considered as equivalent to above Form 3.
- Any subsequent changes to highest educational attainment previously declared must be supported by documentary proof and justifications (further declaration is not acceptable). ERB will normally not accept requests for downward adjustment of highest educational attainment.

(iii) Proof of work experience or professional qualification/certification

- Applicants should provide proof of work experience or professional qualification/certification as specified in the entry requirements of courses, e.g. reference letter from employer, employment contract, work/service agreement, staff identification card, valid industry-specific registration, licence, salary statements, MPF statements and Smart Helper Card, etc.

9. Applicants may submit course applications to the Training Body offering the courses:

- (i) in person — applicants should bring along original of the supporting documents required to the Training Body, and complete the Course Application Form; or
- (ii) by post — applicants should submit completed application forms, supplemented with copies of supporting documents required, to the Training Body; or
- (iii) online — applicants may submit online course applications at the ERB website (www.erb.org).

Applicants submitting course applications by post or online are required to provide original of the supporting documents before class commencement.

10. Persons with disabilities, single parents or Comprehensive Social Security Assistance (CSSA) recipients may request for priority handling of course applications by providing valid supporting documents substantiating their status.

11. Applicants may opt for either of the following arrangements:

- (i) to apply for 2 placement-tied courses, and more than 1 evening foundation skills training (i.e., Workplace Languages, IT Applications, and Business Numeracy) course at any one time; or

12. If applicants, upon submission of course applications, engage in full-time/part-time employment or self-employment (applicable to placement-tied courses), engage in non-ERB full-time education programmes, engage in training courses above sub-degree level, or become employees of the Training Body offering the course applied, they should cancel their course applications. If trainees encounter the above status changes while enrolling in ERB courses, they should notify Training Bodies as early as possible. ERB will re-consider trainees' eligibility for course enrolment and/or disbursement of retraining allowance.
13. Restrictions on application and enrolment of placement-tied courses are as follows:

14. Restrictions on application and enrolment of non-placement-tied courses are as follows:

Cancellation of course applications or class enrolment should be made in person or in writing to the Training Bodies offering the courses, no less than 3 working days prior to the course commencement date. Late cancellation will not be accepted. Once cancelled, applicants should submit new course applications if they re-apply for the same courses.
17. Applicants may reject enrolment offers for up to 3 times, upon which the course application will be cancelled. For applicants applying for more than 1 placement-tied/non-placement-tied course, the sum of total rejections includes offers made for all of the respective course applications.
18. Applicants, who fail to cancel course applications or class enrolment duly and do not show up for the course, will not be allowed to enrol in the same course, or courses at similar or lower level of competency in the same discipline; and will not be refunded the course fees of non-placement-tied courses paid.

Award of Graduation Certificate

19. Trainees should attain a minimum of 80% attendance rate before they are allowed to sit for final assessment (including written and practical skills assessment). Trainees will be awarded graduation certificates upon fulfilment of graduation requirements (generally attainment of at least 80% attendance rate and passing of course assessments). Certificates lost or damaged will not be re-issued.

Arrangement of Re-assessment

20. Trainees who fail to attain passing marks in the final assessment (including written examination and practical skills assessment) are, in general, entitled to two attempts of re-assessments (unless otherwise stipulated) within 6 months upon completion of the final assessment.

Retraining Allowance

21. Retraining allowance in the following categories will be provided for placement-tied courses with duration of at least 7 days:

Type of placement-tied courses	Retraining allowance per day
“Youth Training Programme” courses	\$121
Other courses	\$241 (on basis of 2 sessions)

22. Trainees are eligible for retraining allowance at a maximum of 2 times within 1 year and 4 times within 3 years (from the commencement date of the first course with retraining allowance disbursed within the past 1 / 3 years to the commencement date of the current course enrolled).
23. In general, trainees of placement-tied courses are eligible for retraining allowance on condition that the sum of the following sessions comprises at least 80% of the total number of course sessions:
- (i) actual number of sessions attended (after deducting sessions of late arrivals, early departures and absences); and
 - (ii) sessions of sick leave substantiated by certificates issued by Hong Kong registered medical practitioners (not exceeding 20% of the total number of course sessions).
24. The exact amount of retraining allowance to be disbursed to a trainee is calculated on the basis of the actual number of sessions attended, and is subject to a maximum of \$5,800 per month.
25. No retraining allowance will be disbursed to trainees who are approved to take make-up sessions, even if 80% or higher attendance rate is attained upon completion of the make-up sessions.
26. Details on the criteria for disbursement of retraining allowance for “Youth Training Programme” courses and placement-tied courses for persons with disabilities and persons recovered from work injuries could be obtained from the Training Bodies concerned.

Course Fees of Non-placement-tied Courses

27. Non-placement-tied courses are fee charging. Course fees payable are stipulated at the time of course application. Trainees should pay the course fees prior to class commencement. Fees paid are not refundable.
28. Upon receipt of enrolment notification by Training Bodies, trainees may apply for course fee waiver, apply for payment of “Highly Subsidised Fee”, or pay the “Normal Subsidised Fee” according to their income levels as follows:

Type of course fee	Income level
Course fee waiver	Nil income or monthly income ^{Note 6} of \$12,500 or below

29. Trainees applying for course fee waiver or payment of “Highly Subsidised Fee” should submit “Application for Course Fee Waiver/Highly Subsidised Fee” forms and pay the prescribed course fees to Training Bodies prior to class commencement.
30. Trainees who have course fee waived or pay “Highly Subsidised Fee” are subject to income surveillance. For this purpose, trainees are required to retain the income proof(s) related to the concerned course enrolment for 3 fiscal years (a fiscal year represents the period from April of a year from which trainees enrol in a course to March of the following year), including:

For other trainees, please make declaration in the “Declaration by trainee” in the “Application for Course Fee Waiver/Highly Subsidised Fee” Form.

Penalty for Low Attendance in Courses

31. Penalty on trainees, who have failed to achieve attendance rate of at least 60% in individual courses, would be imposed as follows:
- (i) For trainees who have low attendance for the first time ^{Note 8}: all of their course applications will not be accepted for 1 year ^{Note 9};
 - (ii) For trainees who have low attendance twice ^{Note 8}: all of their course applications will not be accepted for 2 years ^{Note 9};
 - (iii) For trainees who have low attendance more than twice ^{Note 8}: all of their course applications will not be accepted for 3 years ^{Note 9}.
32. In the event that trainees fail to achieve 60% attendance rate due to illness, accident, or other special circumstances, ERB may consider granting waiver of the above penalty. Trainees should report to Training Bodies and provide supporting documents (e.g. medical certificates issued by Hong Kong registered medical practitioners) as early as possible. ERB has the discretion for the granting of waivers.

Fraud Prevention Measures

33. ERB conducts spot checks of trainees' declared educational attainment, study status, employment status, income level and/or employment relationship (if applicable). Trainees may be asked to provide relevant proofs in respect of course application and/or enrolment, including school leaving certification, certification letter from employer, salary statements, and/or "Income Proof" issued by the Inland Revenue Department (IRC2815 and IRC2816), for verification.
34. Trainees not providing the "Income Proof" and other required information in income surveillance exercise will be put on the watch list, and their course applications for non-placement-tied courses will not be accepted for 3 months ^{Note 10} after the "Income Proof" and other required information is provided and no violation is found.
35. Trainees who, in the absence of a legitimate defence, are proven to have provided false information in order to enrol in ERB courses, obtain course fee subsidies, or to receive a higher level of retraining allowance, may be disqualified from course enrolment, course fee subsidies and/or disbursement of retraining allowance. In addition, they are required to offset the training cost of courses, pay the course fees and/or return the retraining allowance to ERB.
36. ERB also reserves the right to report the cases to the law enforcement Government department(s) for fraud investigation and prosecution. Pursuant to Section 25 of the Employees Retraining Ordinance, any person committing the offence shall be liable on conviction to a fine of \$20,000. Under the Theft Ordinance, Cap. 210 of the Laws of Hong Kong, any person dishonestly obtains for himself or another any pecuniary advantage by deception shall be liable on conviction to imprisonment for 10 years.

12 Application Guidelines

37. For trainees who, in the absence of a legitimate defence, are proven to have provided false information in order to enrol in ERB courses or receive a higher level of retraining allowance:
- (i) They are required to offset the training cost of course, and/or return the retraining allowance to ERB.
